LIST OF ACCEPTED CONTRIBUTIONS

List established on January, 15 2026. Authorship information updated on February, 13 2026.

The 223 accepted contributions are organized by **session** (General or one of the six workshops WS1-WS6) and **listed alphabetically by the first author's last name**.

N.B. The presentation format (oral/poster, information sent to each corresponding author) is not related to the abstract quality but to the authors' preference and session organization constraints. It is consequently not displayed here.
